

COSMETIC PRODUCT DATA INFORMATION SHEET

Company name: Radiaderm Ltd.

Contact Details: Radiaderm Ltd., Unit 6, The Mead Industrial Estate, Mead Lane, Hertford,
Hertfordshire, SG13 7BJ, UK.

Telephone: +44 1992 535933

Email: sales@radiaderm.com

Date: 16 March 2023

Product Name: Radiaderm R2™ Soothing Lotion

Regulatory Status: Radiaderm R2™ complies with :

- Regulation (EC) No. 1223/2009 on Cosmetic Products, as amended by the Product Safety and Metrology etc. (Amendment etc.) (EU Exit) Regulations 2019
- EU Cosmetics Regulation (EC) No. 1223/2009.

As a result, Radiaderm R2™ is exempt from the Safety Data Sheets requirements of COMMISSION REGULATION (EU) No 453/2010 amending Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). It is also exempt from the classification and labelling rules of the Classification Labelling and Packaging Regulation (EC) No. 1272/2008.

This product data information sheet completes but does not replace the Instruction for use provided with the product and does not provide an exemption from the obligation to know the specific regulations concerning the product's use.

The information in this document is based on state of knowledge of the product in question at the time of compilation, the date of which is noted at the bottom of the page.

Section 1- Information:

Product Description: Radiaderm R2™ Soothing lotion

Composition (INCI): Aqua, Octocrylene, C12-15 Alkyl Benzoate, Milk Protein, Caprylyl Methicone, Ethylhexyl Methoxycinnamate, Butyl Methoxydibenzoylmethane, Glyceryl Stearate, Zea Mays Starch, Glyceryl Stearate Citrate, Phenoxyethanol & Ethylhexylglycerine & others <1% w/w.

Physico-chemical characteristics:

Physical state	Lotion.
Appearance	White lotion.
Odour	Mild odour.
pH	6.9

Stability and reactivity:

Reactivity	There are no known reactivity hazards associated with this product.
Chemical stability	Stable under recommended storage conditions.
Possibility of Hazardous Reactions	None known.
Conditions to avoid	There are no known conditions that are likely to result in a hazardous situation.
Incompatible materials	No specific material or group of materials is likely to react with the product to produce a hazardous situation.
Hazardous Decomposition Products	Does not decompose when used and stored as recommended.

Section - 2 Hazard information

Classification	The product contains no substances which, at their given concentration, are considered to be hazardous to health.
Label elements	Radiaderm R2™ is a finished cosmetic product which is exempt from hazard symbol labelling requirement.

Section - 3 Precautions during storage and handling.

Precautions during use.	Avoid contact with eyes.
Precautions for safe handling	Store in closed original container between 15°C and 30°C.
Exposure controls / Personal protection	
Control parameters – Ingredient comments	No exposure limits known for ingredients.
Exposure controls – Appropriate engineering controls	Not relevant.
Exposure controls – Eye / Face protection	Not relevant.
Respiratory protection	No specific recommendations.

Section - 4 First aid measures.

Inhalation	Not relevant. Unlikely route of exposure as the product does not contain volatile substances.
Ingestion	Rinse mouth thoroughly with water. Get medical attention if any discomfort continues.
Skin contact	Wash skin with soap and water.
Eye contact	Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Get medical attention immediately if symptoms occur after washing.
Most important symptoms and effects, both acute and delayed	No information available.
Symptoms	
Indication of any immediate medical attention and special treatment needed	Note to physicians. Treat symptomatically.

Section - 5 Accidental release measures

Personal precautions, protective equipment and emergency procedures	
Personal precautions	Avoid contact with eyes.
Methods and material for containment and cleaning up	
Methods for containment.	Prevent further leakage or spillage if safe to do so.
Methods for cleaning up	Dam up. Soak up with inert absorbent material. Pick up and transfer to properly labelled containers.

Section - 6 Risk of explosion and ignition

Suitable Extinguishing Media	The product is not flammable. Use fire-extinguishing media suitable for the surrounding fire.
Unsuitable extinguishing media	CAUTION: Use of water spray when fighting fire may be inefficient.
Specific hazards arising from the chemical	No information available.
Hazardous Combustion Products	Carbon oxides.
Explosion Data	
Sensitivity to Mechanical Impact	None.
Sensitivity to Static Discharge	None.
Special protective equipment for fire-fighters.	No specific firefighting precautions known.

Section - 7 Disposal consideration

Waste treatment methods**General information**

When handling waste, the safety precautions applying to handling of the product should be considered.

Disposal methods

Dispose of waste to licensed waste disposal site in accordance with the requirements of local waste disposal authority.

Section - 8 Information relating to transport**Road transport notes**

Not classified.

Rail transport notes

Not classified.

Sea transport notes

Not classified.

Air transport notes

Not classified.

UN number

Not applicable.

UN proper shipping name

Not applicable.

Transport hazard class(es)

Not applicable.

Packing group

Not applicable.

Environmental hazards**Environmentally hazardous substance/marine pollutant**

No.

Section - 9 Document History

Version	Reason For Issue	Date
